## Banner Machines

Wouldn't it be convenient to have the possibility to print a banner with a name, when you are standing at the airport waiting for someone to arrive? We think so! Our new kiosk is able to do this! Quickly and easily you can print anything from a name board to a 3-meter (vilket måttssystem bör vi använda??!) banner. Everything is printed on canvas, something that is completely unique.

We operate all the underlying technology for you and all kiosks are supplemented with operations service. We will support you through this exciting journey, so you can focus on making profit. Be part of this unique and exciting concept!
